Our Machinery Brand Partners

Message From C.E.O

At Abayira Logistics Company Ltd, we believe that logistics is the backbone of development. Every machine delivered, every shipment cleared, and every route optimized brings us one step closer to a more connected and industrially empowered Africa.

Our journey began with a vision — to create a logistics company that meets expectations and redefines them. Today, with our footprint across major cities in the DRC and East Africa, we are proud to be a trusted partner to industries driving change and building the future.

We are committed to delivering excellence, grounded in integrity and driven by innovation. As we continue to grow, we focus on building lasting partnerships and delivering value through every service we offer.

Thank you for choosing Abayira Logistics as your logistics and machinery partner.

Scalia Nzanu Junior
Chief Executive Officer
Abayira Logistics Company Ltd

About Us.

Introduction

Abayira Logistics Company Ltd is a leading provider of clearing and forwarding services, machinery handling, and engineering equipment importation across the Democratic Republic of Congo and the greater East African region.

With a strategic presence in key cities such as Kinshasa, Lubumbashi, and Goma, as well as in regional hubs including Nairobi, Kampala, and Dar es Salaam, we offer seamless logistics solutions tailored to support infrastructure development, industrial growth, and cross-border trade.

Our company combines local expertise with global standards, ensuring every consignment is delivered on time, in perfect condition, and in full compliance with regional regulations.

Mission & Vision.

MISSION

To empower African industries through reliable, efficient, and innovative logistics services that simplify the importation and delivery of machinery and engineering equipment.

VISION

To be the most trusted logistics partner in Central and East Africa, driving growth through dependable clearing, forwarding, and supply chain solutions.

Our Philosophy.

We believe logistics is more than just movement — it's about building bridges between vision and execution. At Abayira, we operate on the principles of transparency, agility, and integrity. We are committed to turning logistical challenges into business opportunities for our clients.

Our Reach.

We are connecting countries of East Africa in the logistics sector by supplying excavators and diverse machinery to various mining sites and industrial operations.

Recently, our focus has expanded significantly within the Democratic Republic of Congo (DRC), where we are active in several key provinces and towns.

Operations in the DRC:

- **DURBA City, Haut-Uele Province** – One of Africa's largest mining hubs, including Kibali Gold Mine, Giro Mine (under construction), and other private mining operations.
- **BUNIA Town, Ituri Province** – Serving Nizi Village and surrounding mining and construction sites.
- **ISIRO Town, Haut-Uele Province** – Active in areas like Vatica, Adombi, and Gombari.
- **BENI Town, North Kivu Province**
- **BUTEMBO Town, North Kivu Province**
- **KISANGANI Town, Tshopo Province**
